Gentlemen :

I understand you have published a pamphlet in con-
-nection with Mexican coins, and will be pleased to receive one;
however, if there is a charge for same kindly advise me what this
is before sending it.

Yours truly,

J. Davidson.

Dear Sir:

We have recently published a monograph on coins struck by the various revolutionary factions in Mexico, since 1912. It contains 53 pages and 15 double plates illustrating nearly all of the 180 coins described. The price is $2.50.

Yours very truly,

Curator.
